You are hereby informed that your Report Card (Progress Report) of the First Term Examination-2021 is going to be generated bearing marks scored by you in each Examination paper of 50 marks plus the marks scored from all assignments submitted by you in First Term as per the time-table. Considering the fact that assignments carry 50% weightage in the overall performance in all Examinations, we are providing you all: **"ONE MORE CHANCE"** to improve your score in all assignments of the **"FIRST TERM EXAM"** syllabus only. This facility is open only upto **20th June, 2021**. **You can rewrite the assignment wherein you did not do well.**

Dear children, remember that **"AN IDLE MIND IS THE DEVIL'S WORKSHOP"**. Therefore, always engage your mind with constructive thought. For, your online classes for the second term syllabus are going to be resumed from **14th June (Monday) onwards**. The Time table of all classes and corresponding assignments has been uploaded on the HIKAI portal. Treat your assignments as first part of your second term final exams, complete them on time and **upload on the same day, without fail**. Exhibit your solidarity towards attending online classes and accomplishing the respective assignments (as you have shown during the First Term Examination).

Remember, "NOTHING SUCCEEDS LIKE SUCCESS".

Wishing you all success.
